

ASSIER CHOOSES THEIR COMPANIONS

1) You are a team. All of you watch the Elton John's video twice and then, all together, try to fill the gaps of the Catalan translations with the computer.

In the early of 80's a new epidemic became headline news.

A començaments dels anys 80 _____
va estar en els titulars de totes les notícies.

2 or 3 people very close to me died very quickly
for AIDS.

_____ molt properes a mi van morir _____
_____ per la SIDA.

Brian was a school boy who was infected for AIDS
by bad transfusion in 1990. Elton rushed to visit
his young friend for the final time.

_____ escolar que es va infectar per la

Vaig començar donant els beneficis dels meus temes més
venuts. _____.

The whole point, to be brutal, is to rise the money for the AIDS foundation.

El punt important, sent poc delicat, és augmentar _____
_____.

We distribute a lot of that money to 50 countries around the world.

_____ molts d'aquests diners a 50
_____.

2) Now is time to share with the group of your right or left the aspects of Elton John's life that you have learnt from the 2 minutes video. You need to speak in English as you can. Then, all the group decides which video is before or after. Look the example.

We think that the video of Asier's team is **before** than the video of Daniela's team

We think that the video of Asier's team is **after** than the video of Daniela's team

3) Now, both groups, watch the Elton John's video with the order that you have chosen. Have you done it right? You can change the order of the video. Complete the sentence copying the example.

We think that the order of the videos is **right** because _____

We think that the order of the videos is **wrong** because _____

We think that _____

4) Now, the four groups, explain what is about their own Elton John's video to the rest of the class. Then, your team, complete these charts with the order solution .
